

FESTIVAL DE FRESAS

IN PARTNERSHIP WITH

Southern Hill Farms is a family owned and operated u-pick and commercially harvested blueberry, strawberry, peach and seasonal vegetable farm. They are nestled in Central Florida atop the rolling hills of Clermont, just southwest of Orlando. They currently have 40 acres of blueberry bushes, five acres of peaches, 18 acres of strawberries and one acre of blooming sunflowers on the 120-acre farm, open for u-pick December-May.

All of our dishes for Festival de Fresas are made using Southern Hill Farms berries.
